## WORK EXPERIENCE

### FERGUSON ARCHITECTURE

Tacoma, WA  
June 2017 - Sept 2019

#### Architectural Designer

Lead designer and main point of contact for international residential project in Taoyuan, Taiwan. Additionally, worked as the main graphic designer in the studio's marketing team to provide graphics, layout design, and manage various submissions for design publications that led to multiple design awards. Additionally, I provided graphic support to multiple presentations that built longer client relationships and had strong client approval.

### HOK

San Francisco, CA  
Feb 2015 - Sept 2015

#### Architectural Intern

Worked as an intern with various project groups to develop conceptual renderings and refine schematic drawings using AutoCAD, Rhino, and Revit. Crafted 4'x4' site model using 3D printing technology and laser cutting.

### DESIGN 2 (HK) LTD.

Hong Kong SAR  
Sept 2014 - Dec 2014

#### Architectural Intern

Designed the facade and produced drawings for the Public Housing project in Shek Mun, Hong Kong. Designer of the typical apartment floors for three apartment blocks that included interior materials, finishes, mosaic tile patterns, color scheme, doorbell graphics, etc.

### REALLY RIGHT STUFF

San Luis Obispo, CA  
March 2013

#### Model Maker

Built a large train model installation for a trade conference in Las Vegas. Gained hands-on experience with using wood making tools, plaster, paints, etc. The landscape, model buildings, and more served as a subject for photographers to test their products.

### ARCHURBAN

Shenzhen, China  
Summer 2011 + 2013

#### Architectural Intern

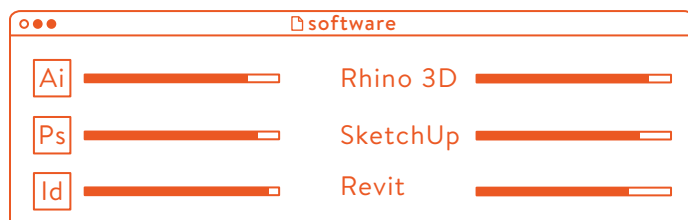

Worked as an assistant for the Singaporean architect Tan Cheng Siong. Completed drawings and diagrams for the new addition to the Pearl Bank Apartments. Learned to communicate with clear and informative graphics.

## EDUCATION

### CAL POLY STATE UNIVERSITY

San Luis Obispo, CA  
Sept 2011- June 2016

#### Accredited Bachelor of Architecture (NAAB)
